What's New at Snowbird Medi-Quote

Last year's big news was Angie and Ken's retirement, this year we have been busy filling up the hole that they left. We are still offering all the same things Snowbird Medi-Quote has become known for as an independent travel insurance provider:

- ✓ Access to numerous quality Travel Insurance programs at fair prices.
- ✓ Our expertise to ensure the program you buy is the best one for your specific situation. Our job is to make sure you have the best value for your money while providing the most suitable coverage for your needs.
- ✓ The No-Risk-No-Questions-Asked money back guarantee if you cancel your coverage prior to the effective date of your policy.
- ✓ Refunds provided if you return home from your trip early subject to some conditions.

Some of the insurance companies we represent are planning some positive changes fueled by the strong Canadian dollar. LOWER stability requirements (6 months instead of 12 months for heart and lung conditions and other medical conditions), more favorable plan qualifying for smokers and some combinations of medical conditions, just to name a few.

We look forward to hearing from you to determine how you are affected by these positive changes.

Our plans offer coverage for single trip, multi-trip annual plans, top-ups on other insurer's plans...PLUS...many of our annual plans offer coverage for UNLIMITED travel within Canada. We have enclosed information on the plan that we have pre-picked for you based on your past needs.

Once received in our office, your application will be reviewed and compared with other products we have available to ensure you have the BEST coverage and rates according to your travel needs. Please give us a call if your situation has changed since last purchase, if you have any questions, or if you require assistance completing the forms.

We wish you a safe and healthy holiday season and thank you for the opportunity to take care of your insurance needs. We appreciate you telling your friends and acquaintances about us.

Yuma 2006

In February 2006, we decided we should take a drive down to Arizona like so many of our clients do each year.

Once there, we set up a booth at two flea markets, Arizona Marketplace and Yuma Park and Swap. We met many of our current clients there as well as many other Canadians who hadn't yet heard of Snowbird Medi-Quote. Thank you to those of you who stopped by to chat and enter your name in our draw and put a peg into our map of Canada on your hometown.

Congratulations to the lucky winner of our draw for dinner for two at "The Crossings" restaurant in Yuma, Sharon Gleason of Fernie, B.C. We hope you enjoyed it!!!

The trip was such a success, we have decided to make it an annual event. Watch for us in February 2007!!!
